** can also include online junior high options : Learning with Minecraft or 10+ Apps Every Student Needs

Senior High (Gr 10-12) :

- 1) A Full time Student averages 35 Credits
- 2) A blended program requires 20% to be aligned which works out to 7 credits. Please refer to our online registration form to see the credits assigned to each course.
- 3) Variable credit courses are not eligible for the aligned portion of the blended program. These courses include Work Experience and Special Projects.
- 4) Please call our office for more information on a shared responsibility (blended) program for high school students.
