For Gr. 10-12 course selection, please fill out [page 7&8](#)

Program Descriptions (please read before proceeding to course selection):

Online: Online students have access to online teachers for each course who have created the lessons. Online teachers will help with questions, as well as mark assignments and tests. Parental support is beneficial as evidence shows the greater the degree of parental involvement, the greater the degree of student success. There is no registration cost for our online program. The only cost is to mail books. If you are a non-Alberta resident, please refer to the fees listed on page 9.

Please note: Online students are required to have Microsoft Office 2007 or later for their courses. Pages and Open Office are not compatible.

Teacher Directed (TD): TD students are assigned a teacher who, considering your input, will select instructional materials from a list of approved print based resources that align with Alberta Education's learning outcomes. NorthStar teachers have developed a plan for instruction and assessment for each of these approved resources which your teacher will share with you. Assigned work will be submitted online through our Learning Management System so that teachers can provide feedback and assess completed instructional tasks.

Shared Responsibility (Blended) Program: Each student, if choosing to participate in the Blended Program, must have a **minimum of 50%** of their education aligned with the Alberta Education outcomes in grades 1-9. In grades 10-12, the aligned portion is a minimum of 20%. The aligned portion can be a combination of Online and/or Teacher-Directed. Each category in the course selection has a percentage associated with it to indicate what it is worth. **When selecting courses, please ensure your percentages total a minimum of 50% aligned to meet the requirements of the Blended Program.**

If registering for the Shared Responsibility (Blended) Program, the Student Registration form (*this form*) and the Home Education Regulation form must both be filled out and submitted.

Home Education (Parent Directed) Program: NorthStar Academy supports families who provide home education for their children. Our staff is here to work with parents to customize their program and meet their children's specific needs and will outline their choices through an Education Plan setup with their assigned support teacher.

Parents who provide home education programs acknowledge that there are implications when they choose to use programs different from the Alberta *Programs of Study*:

2. Students may not receive an Alberta High School Diploma.

Any student in a home education program may write a high school diploma examination.
